COUNCIL REFUSES TO HALT DISINCORPORATION ELECTION

HIGH AND GRAMMAR SCHOOL GRADUATION THURSDAY NIGHT, MAY 25

Coordinating Council Completes New Tennis Courts

Last Saturday, the Coordinating Council finished pouring the cement for the final section of the two tennis courts located on the high school grounds which will soon be available for free public use.

Mayor Philip Boyd, who is active in his support of the new public recreation program, together with Thos. O'Donnell, witnessed the completion of this first step toward a comprehensive community recreation program. Mr. O'Donnell was so impressed with this project that he immediately donated \$500 to pay for the fencing of these new courts.

The Coordinating Council wishes to extend sincere thanks to all those who have helped, particularly to Mr. Thos. O'Donnell for his generous gift, to cement contractors Gray and Taylor, W. K. Haxton for his gift of coloring for the cement. Particular thanks go to the Builders' Supply Co., for furnishing materials at cost; to the Victor-Portland Cement Co for their donation of cement.

Much gratitude is due Charles Burket who has so successfully organized men, machinery and materials for this project. Merrill Crockett, as president of the Coordinating Council and the Board of Recreation, is in a large measure responsible for the fine achievements made by his group.

ACCIDENT MADE BASIS OF \$10,000 SUIT

An accident in Palm Springs, April 27, is declared the basis of a suit for \$10,000 filed in the superior court by Inez Hendricks of Los Angeles against Charlotte and Eber Kanaga. The plaintiff asserts in her complaint Mrs. Kanaga was negligently driving her car when the two cars were involved in an accident at the intersection of Arenas Road and Belardo avenue.

SEEK TO FORM AVIONS CLUB IN VILLAGE

A movement is now under way to organize a club of Avions for the high school boys of Palm Springs; the movement is headed by Rayburn O. Hanzlik, well known local contractor.

The Avions, a brand new organization sponsored by the National Aeronautic Association, is a character building organization built around the theme of aviation. It is national in scope, teaches a code of ethics similar to that taught by the Boy Scouts, but is more for older boys—ages 15 to 21 years. While no actual flying is taught, the boys make a thorough study of all phases of modern aviation from ship designing to navigation.

The organization was started in the United States in 1938 and is growing rapidly in popularity among the youth of the nation.

Mr. Hanzlik very recently made a survey among the boys of the local high school. Twenty-one out of the 38 boys in the school questioned, stated that they are definitely interested in the Avions.

Local men interested in seeing a group of Avions organized in Palm Springs besides Mr. Hanzlik are the following: Commander Thales S. Boyd and Coach John Kluckman of the high school.

GUY CAMPBELL RETURNS TO HILLCREST RANCH

Guy Campbell, who has been in charge of the polo games here this winter, has returned to the Hillcrest ranch near Hemet where he is schooling ponies. He will return to Palm Springs again in November.

The graduation exercises of the Palm Springs high school will be held on the lawn of the school, Thursday afternoon, May 25 at 5:30. The members of the graduating class will wear grey-colored caps and gowns. Grammar school graduation exercises will be at the grammar school at 8 p. m.

The baccalaureate services will be held at the Community church Sunday afternoon, May 21, at five o'clock. Rev. Father Michael O'Connor will deliver the sermon and Dr. John Robertson Macartney and Rev. B. B. Weatherall will be in charge of the services.

At the graduation exercises Thursday afternoon, Mrs. Nellie Coffman will be the speaker and the diplomas will be presented by Raymond Cree, president of the high school board.

Other speakers will be Dr. William C. Gunnerson and E. E. Smith of Riverside.

Good citizenship awards will be presented to two students of the school and also the names of the five boys who will receive free trips to the California Boys' State will be announced.

Thirty-nine pupils of the Frances S. Stevens school will be awarded diplomas at the graduation exercises Thursday evening at 8 o'clock at the grammar school.

Miss Finch, principal of the school, has announced that this year's program will be most interesting as the major portion of the affair will be conducted by the students themselves.

The program will start with an invocation by Dr. John R. Macartney, and the singing of "Star Spangled Banner." Next various awards will be made including two sets of citizenship awards. Dr. Russell Gray, president of the Lions Club, will present an award to one boy and one girl and Charles V. Knapp will present two American Legion awards.

Following this there will be a short program of music and the presentation of the class by Miss Katherine Finch, principal. Mrs. Nellie N. Coffman will award the diplomas.

RICHARD HAAS WINS SUIT AGAINST ARCHIE PALMER

According to court records Richard W. Haas of Palm Springs on May 16 was awarded judgment in Judge Albert R. Hoffman's court in his two suits against Archie O. Palmer, former resident of the village.

In two different suits Mr. Haas sued Mr. Palmer for a total of \$450, \$300 in one suit and \$150 in another, and he was awarded judgment in both cases.

Mr. Haas was represented by Attorney Frederic Wing of Banning and Mr. Palmer was represented by Attorney Roy Colegate.

COUNTY CHAMBER MEETING AT BANNING NEXT TUESDAY

The next meeting of the Riverside County Chamber of Commerce will be held in Banning, Tuesday, May 23, with W. L. Pollard, Los Angeles civic planning authority, as the speaker. According to announcements made by the County Chamber, his subject will be "Civic Planning." The Banning Chamber is planning a program of entertainment. The meeting will be preceded by a meeting of the board of directors of the county organization. Hotel Banning will be the scene of the luncheon and reservations should be made not later than Saturday.

Ask State To Employ Palm Springs Men On Highway Project

In response to the request of Ralph O. Averett, representing unemployed men in Palm Springs, the city council this morning adopted a resolution requesting the employment of local men on the cut-off, now under construction, from U. S. Highway 99 to State Highway 111 near the Palm Springs railway station. The resolution sets forth that work on the project is now in the early stages and that it will require the employment of a large number of workmen; that the local unemployed men are "registered and enrolled with the California State Re-employment Service, and it is the understanding of the city council that the men employed on such a project are required to be chosen from men so registered and enrolled in this area, despite which there is at present only one resident of Palm Springs employed on said project."

Certified copies of the resolution were sent to the State Highway Department, to Dimmitt & Taylor, the general contractors; to the California State Relief Administration, and to the County Board of Supervisors. The resolution received the unanimous vote of the council.

NOTICE

SUMMER MAIL SCHEDULE
Beginning Sunday, May 21, the receipt and dispatch of mail on Sunday will be discontinued until October 16. As no mail will be received at the office there will be no special delivery service for this period on Sunday.

BUSINESS IS GOOD, SAYS INDIANOYA MANAGER

F. H. Watson, owner of Indianoya, left yesterday for a visit at Long Beach, with Mrs. Watson. "We plan on keeping Indianoya open for a considerable while longer," he said yesterday. "Business has been exceptionally good so far this month. I will be away only a short time, but Altha and Fred can carry on very well without me."

STUDENT BODY ELECTS OFFICERS

The Student Body of the Palm Springs high school held their annual election of officers this week.

Officers were elected as follows: Grant Johnson, president; Jake Graham, vice-president; Joe Pawling, business manager; Gail Johnson and Theda Watson, yell leaders. Virginia Valentine was re-elected secretary-treasurer.

The senior class also elected as their president for the coming year, Ralph Gilmore.

GRAMMAR SCHOOL PUPILS TO TAKE PART IN RIVERSIDE CO. FESTIVAL

The Riverside County Ninth Annual Song Festival will be held Sunday, May 21, at the Municipal Hall in Riverside at 3 p. m.

This program is given every year and is under the supervision of Miss Paloma Prouty.

Forty pupils of the Frances Stevens school will go to Riverside to take part in the program. These children were trained by Miss Florence Newberry.

The public is cordially invited to attend this program.

PINNEYS INVITED TO MEET KING AND QUEEN

Mr. and Mrs. Warren B. Pinney left this week for Washington, D. C., where they will attend a reception for King George and Queen Elizabeth of Great Britain. The Pinneys received an official invitation.

Mr. Pinney's resignation from the city planning commission was accepted by the city council Wednesday and City Attorney Roy Colegate was appointed in his place. Mr. Pinney resigned because he will be out of town throughout the summer.

A Groups Represented In C. of C.

Under the leadership of President Barney Hinkle, the new Chamber of Commerce board of directors is formulating plans for an intensive membership campaign. A prospectus was prepared which has been submitted to all potential members.

Tentative plans include the formation of an advisory committee from the ranks of various groups such as professional, retail, service, purveyors, etc., and these groups are to be subdivided into classifications according to vocations. Thus every group will have ample representation on committees that will study the budget, assessments, and collections.

By wider participation on the part of more than 450 business establishments and innumerable property owners, sufficient funds to carry on the work of the Chamber will be available without hardship to anyone.

Complete plans and details will be submitted to the public.

Following is the program of activities:

Year 'Round Office

1. An executive office centrally located, adequately equipped and appointed, staffed with competent personnel to render a high degree of service and be a credit to Palm Springs.
2. Administration vested in a full-time executive secretary who is familiar with all phases of Palm Springs problems, needs and methods of achievements.
3. Adequate staff of subordinate personnel to efficiently accomplish designed purposes.

Public Relations

1. Publicity.
 - a. Expanding the publicity program to sell Palm Springs to outsiders through (1) National magazine advertising.
 - (2) Newspaper publicity.
 - (3) Photographic publicity.
 - (4) Direct mail advertising. (a) Folders descriptive of Palm Springs and its attractions. (b) Folders descriptive of hotel and apartment accommodations with rate structures. (Listing members only.)

2. Employment of a publicity director and a photographer for these functions.
 - (1) Designed for use of every resident and guest of Palm Springs while here.
 - (a) Providing courteous and accurate information upon all subjects pertaining to our community, through an information desk.
 - (b) Distribution of illustrated maps showing points of interest, recreational facilities, etc.
 - (c) Providing in office, for reference purposes, photographic scenes of points of interest with brief descriptions of locations.
 - (d) Weekly publication of "What's Doing in Palm Springs" folder listing special attractions, points of interest and activities; to be made available to guests through hotels, apartments, real estate offices, etc.

3. Automobile Club of Southern California branch. (1) Negotiations now under way to establish in Chamber of Commerce office full time Automobile Club service to local residents and guests.

2. Tourist Travel—Developing a program through All-Year Club, Automobile clubs and travel agencies to see that tourists visiting California are routed through Palm Springs and given an incentive to stay over and visit various points of interest.

- Free Employment Bureau.
 1. Expansion of past season's employment service by establishment in Chamber of Commerce a local branch of California State and Federal Employment Service.
 2. Expense of such service (other than office space and telephone service) to be borne by State and Federal Employment Service. (Note: Experience of former Business Men's Association with such service suggests that this can properly be considered a part of the "Public Relations" program.)

- Credit Bureau.
 1. Continuation and expansion of the credit bureau so well and favorably established and operated by the Business Men's Association. A such bureau to provide local, state, national and international services to members. (1) Which will insure business at a greater profit and elimination of commercial frauds.

- Legislation.
 1. Watch and participate in legislation, whether local, county, state or federal as it may affect the business, professional, property or employment interests of Palm Springs residents.
 2. The Chamber office to serve as a contact point between local business men and property owners and the city council.

- Better Business Bureau.
 1. To serve as far as possible as a better business bureau by (a) Opposing and suppressing every type of commercial racketeering. (b) Requiring every solicitor for special advertising, subscriptions or donations to establish his identity and responsibility at the Chamber office before proceeding with solicitation. (A proven service of the Business Men's Association.) (c) Oppose unethical and untruthful local advertising. (d) Do everything tending to make Palm Springs a place where business can be conducted with safety and profit and where residence can be maintained with security, personal liberty and freedom from undesirable influences.

- Labor Relations.
 1. Establishment of media through which employer and employee may (a) Establish viewpoints. (b) Maintain harmonious personnel relationships. (c) Determine their respective rights under the Labor Relations Act without violating that statute. (d) Settle labor controversies. (e) Express their sentiments to local, state and federal legislative bodies.

- Directors' meetings will be held once each month, at a regularly established place, date and hour. Any member or group, whether they are directors or not, may appear at such meetings and present any suggestion or criticism which they may have.

ZONING HEARING NEXT FRIDAY

The first official hearing on the revised master plan and liberalized zoning ordinance will be held in the city court room next Friday evening, 8 o'clock. The second hearing will be held on Tuesday evening, June 6.

The planning commission met on Tuesday evening of this week with a few visitors present, who asked for explanations regarding the map and ordinance. Criticisms were invited by the commissioners.

It was explained that the zoning plan is a growing thing that can be changed from time to time to meet the demands of the community. The new ordinance is the latest revision on the needs of property owners and public in general as to land use in Palm Springs, and is very much more liberal than the emergency ordinance adopted soon after the city was incorporated.

NEXT COUNCIL MEETING

The next meeting of the city council will be held Wednesday morning, May 24, at 8:15 a. m.

At that meeting the ordinance introduced this week relative to the rezoning of some property near the Deep Well Ranch will be voted on by the council. The property is 10 acres owned by Leonora Mooney and William Heiser. It fronts on the Palm Springs-Indio road.

The hearing on the franchise of the Southern California Gas Company will be held June 7.

BUILDING PERMITS

Following are the recent building permits issued by City Building Inspector Charles Burket.

On May 15 Freda M. Miller was issued a permit to construct a \$900 store building at 414 North Palm Canyon Dr.

May 15 John E. Gates took out a permit to build a \$3,000 dwelling on lot No. 13, Palos Verdes tract. R. S. Pinckard was listed as the contractor.

May 15 Marie C. Trott was issued a permit to construct a \$500 three-room dwelling on Indian Ave., between Arenas Rd. and Baristo. Charles G. Chamberlain was given as contractor.

May 15 Marie C. Trott took out a second permit to move a stucco residence from Palm Canyon Drive to Indian Ave. between Arenas and Baristo. \$150 was the amount of the permit.

FIRE DEPARTMENT ANSWERS 3 CALLS

The fire department has answered three calls recently, none of them of any importance.

Friday, May 12, 8:10 p. m., someone reported they had seen flames in Orchard Camp. When the fire engine arrived at the camp, no fire could be found.

Saturday, May 13, a brush fire was reported at 1:40 p. m. The fire was on Indian land near the Lee Camp on S. Palm Canyon Dr. About two acres burned over south of the Lee Camp, but no property damage was reported.

Sunday, May 14, 4:00 p. m., it was reported to police that a fire was burning in the grass and brush under some Tamarisk trees bordering Tacheva Rd. southeast of El Mirador Hotel. The fire department investigated the report, and found a small grass fire started by a cigarette evidently thrown from a passing car.

RIVERSIDE COUNTY POSTMASTERS TO MEET MAY 28

The monthly meeting of the Riverside County Postmasters Association will be held at Sage, California, on May 28.

Ryland M. Gorham, local postmaster, will attend this meeting.

Directors' meetings will be held once each month, at a regularly established place, date and hour. Any member or group, whether they are directors or not, may appear at such meetings and present any suggestion or criticism which they may have.

Claim Request Too Late for Legal Action

The city disincorporation election will be held on June 21st, as ordered by the city council several weeks ago, according to a resolution adopted by the council this morning.

Attorney Thomas A. Lipps, representing 78 citizens who had signed a request that their names be withdrawn from the disincorporation petition, which they had signed previously, appeared before the city council Wednesday evening and asked the council to rescind the resolution calling the election and then hold public hearings so that those who had signed the petition through misunderstanding and others in favor of incorporation might be heard.

Thomas A. O'Donnell also spoke at the meeting. He said the council should recognize that the majority of the citizens don't want the city disincorporated, and that therefore the city should be saved the expense of the election.

The matter was referred to the city council, sitting as a committee. They met Wednesday evening and studied the legal aspects in conference with the city attorney. The council met again at 8:15 this morning and denied the request on the ground that "the right to withdraw signatures from a petition is limited to the period before filing of the petition which gives a reasonable time for reconsideration to the signer, and also protects the petition when completed and turned over to the proper authorities." The request to withdraw the 78 names from the petition was not made until after the election was advertised by the city council.

Following is the resolution adopted by the city council this morning:

The city council sincerely appreciates the spirit and effort of Mr. Lipps and Mr. Averett and the requests of said persons to have their names withdrawn from said petition, all in an endeavor to reach a better understanding among all concerned in the interest of a unified and progressive city of Palm Springs. The city council has thoroughly considered these matters and the legal advice of the city attorney as to the validity of the city attorney's opinion that it is not legally possible for the council at this time and at this stage of the proceedings, to allow the withdrawal of signatures of any qualified electors of the city of Palm Springs from said petition even though their names may have been placed thereon through inadvertence or upon insufficient reflection or even through misrepresentation. The council is advised that courts of this state have held that on principle electors whose names have been placed upon a petition under such circumstances should not be irrevocably bound thereby but should be permitted to correct any error in that regard to assume their true position with regard to the proposed measure if this can be done without injury to the initiative system, but that in order not to destroy the initiative procedure and in order that the proposed measure if measure may be able to rely upon signatures obtained and not continually forced to seek new ones to take the place of withdrawals, and thereby possibly never be able to prepare a proper petition within the limited period which usually exists, the right of withdrawals is limited to the period before filing of the petition which gives a reasonable time for reconsideration to the signer, and also protects the petition when completed and turned over to the proper authorities.

The council also is advised that the courts of this state have held that the statement of grounds for circulation of the petition is intended solely for the information of the electors and whether citizens, the council, or the courts regard them as sufficient, is immaterial. The petition for disincorporation having been filed with the council and the council having determined same to be sufficient and having called the election for June 21st, 1939, and having caused the giving notice of the election—and all these things having been done prior to receipt of said requests and letter the council is therefore required to proceed with the election and has no authority or right to do otherwise.

Now therefore, be it resolved, that said report and recommendations be and they are hereby approved, ratified and confirmed, and

Be it further resolved, that the city council take no action by reason of said matters so presented to it at its meeting of May 17th, 1939.

After Councilman Jack Williams had moved the adoption this morning of a resolution to deny the request of Thomas Lipps and 78 others and to continue with the June 21 election, and the resolution had been seconded by Councilman Clifford, Mr. Lipps got to his feet and pleaded with the council not to pass such a resolution. Lipps stressed the fact that with the majority of local leaders now in favor of keeping incorporation, a way should be

American Legion Notes

Four Palm Springs Legionnaires, accompanied by their wives, last Saturday evening attended the San Bernardino-Riverside joint county council meeting at 29 Palms. The local men report that the barbecue was excellent, the meeting was interesting and the weather was just warm enough to make the evening pleasant on the tennis court, where dinner was served. The business meeting and dance were also held on the tennis court.

Talks were given at the meeting by Joseph Long of Riverside, former Department Commander of California, and Charlie McGonegal, present assistant department adjutant.

Attending the joint meeting from the Palm Springs post were Commander and Mrs. C. V. Knupp, Mr. and Mrs. Ray Tompkins, Mr. and Mrs. Pat White and Mr. and Mrs. Les Moore.

The village American Legion post will hold its last meeting for this season on next Wednesday night, May 24, at the "dugout" in the El Rey building. This will be an important meeting and it is hoped that as many comrades as possible will turn out for the affair. The meeting was set ahead one night because the two local public schools are holding graduation on the 25th of May.

Commander C. V. Knupp will be a busy man Thursday, May 25. In the afternoon at the graduation exercises at the high school he will announce the names of the junior class boys that will be sent to California Boys' State at Sacramento, June 24-July 1.

In the evening at the Frances S. Stevens elementary school Commander Knupp will present the American Legion citizenship awards to the winning students.

The local American Legion post is going to put on a big membership drive early in the fall.

The Palm Springs post has reason to be justly proud of itself at this time, it is sending more high school boys to California Boys' State this summer than any other post in District 21 outside of the city of Riverside. The local post is

sending six boys this year.

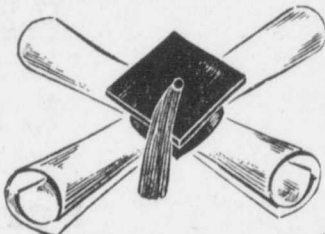

District 21 is among the very largest in the Department of California in point of membership, and the Palm Springs post is the smallest in the district. The local post, with only 22 members, is competing against such posts as Santa Ana, 482 members; Anaheim, 193 members; Orange, 140; etc.—Yet it is sending more boys than any of them outside of Riverside with a membership of 411.

Mr. and Mrs. Lloyd Simon have been seen dining frequently in the patio of the Palm Springs Hotel.

CATHEDRAL CITY

Last week the Desert School District board, composed of Mrs. Nellie Coffman, Mrs. Culver Nichols and Francis F. Crocker, accompanied by County Superintendent of Schools E. E. Smith, and by Principal Katherine Finch, called at Cathedral City to inspect the proposed site for the primary grades school. Final action was deferred until a state representative also makes an inspection which, it is understood, will be made this month. It is very necessary that this community take steps to have a school.

Wm. A. Linkletter, brother of A. V. Linkletter, the well known merchant of Cathedral City, has located a group of mining claims about six miles southeast of the village in the Santa Rosa foothills. Mr. Linkletter reports the ore in body, and that assays ran better than \$10.00 per ton in gold for the best samples and more than \$5.00 for the poorest. The ore is free milling and carries other values. Who knows, but the movies may have a "natural" setting for a gold mining district, and the local inhabitants be benefited as well as the discoverer.

Last week Buster Cruncleton fixed his automobile so the mechanics had leisure to see how to put an automobile together. Buster came out of the mishap with only a few stitches to show for the experience. This week Miss June Day accomplished the same thing, although the method may vary and again fortune smiles to the extent that June was not injured. All of which did not help Mrs. Harriet Day, June's mother, who ruefully says she is "walking this week."

Mr. and Mrs. C. W. Larrison, who were residents here when Cathedral City "wasn't," and who have been active in all community affairs, have branched out and this week purchased the business of J. H. McKibben at Thomas Mountain. The store and filling station serve the local residents at Thomas Mountain in addition to the area between Ribonwood and Herkey creek. As their activity is principally summer operation, it will mean Cathedral City will not lose these valuable citizens.

Late reports are that Mr. and Mrs. C. S. Cobb have arrived at Ravenna, Nebraska, where they are visiting Mrs. Cobb's sister.

When the season "flattens out" there are always many who remain and undergo some difficulties because so many businesses close up and the lack of service is annoying. While Cathedralites enjoy eating in Palm Springs, it is gratifying to know that the Date Shop will continue serving light counter fare until June 1, when Wm. Williams will have counter service at his place of business in the east end of the village.

Numerous reports of rough-housing in the village at night, lately, would warrant this prediction, that if such disturbances continue, it will just be too bad for the disturbers. There are enough decent people here who want their rest, to warrant law enforcement.

BILLY WILSON GOES EAST

Billy Wilson, prominent local high school athlete and son of Mrs. Altha Wilson of Indianola Trading Post, left yesterday morning for the East coast, accompanying Lieutenant and Mrs. E. W. Webb of the battleship Pennsylvania, in their automobile.

\$1,300,000 Rate Reduction By Gas Company

Concerning the reduction in gas rates, which will soon become effective in many Southern California cities including Palm Springs, effecting a saving of \$1,300,000 to consumers, A. B. MacBeth, president of the Southern California Gas Company, said:

"The company is passing on to its customers benefits resulting from the growth and development of its business and savings resulting from certain operating economies. While taxes have been considerably increased and the company has raised wages very materially along with a reduction in working hours in conformity with the current trend of industry, there have been effected efficiencies which have reflected economies in other phases of operation."

"Two years ago just prior to the merger of the Southern California Gas Company and the former Los Angeles Gas and Electric Company, a rate reduction of one million dollars was put into effect. It was anticipated at that time that the merging of the two systems would enable the combined company to render further improvement in gas service with consequent benefit to the people. Operations during the last two years have confirmed the company's expectations in this respect. This present rate reduction of one million three hundred thousand has been worked out after a thorough analysis of the company's earnings by members of the Railroad Commission staff in cooperation with company representatives."

Lions Club Notes

Joseph Long, former Mayor of Riverside and past American Legion Department Commander of California, delivered an interesting address before the Palm Springs Lions Club this Thursday noon at the Palm Springs Hotel. His remarks were appropriate to Memorial Day.

Jerry Sanborn was chairman of the day.

The meeting next Thursday noon at the Palm Springs Hotel will be the last regular meeting this season.

The speaker will be Lion Raymond Cree of the village, who will speak concerning the early days in this region.

Lion Cree is a pioneer of Palm Springs, and he has many interesting anecdotes that he plans to tell to the club.

Clarence Hyde will be chairman of the day.

The first unofficial summer meeting will be held June 1. A committee composed of Guy Pinney, chairman; Judge Albert Hoffman, Jerry Sanborn, Charles Burket, Francis Crocker and Merrill Crockett has been appointed by President Russell M. Gray to make arrangements for these summer meetings. This committee will find a place for the

members to meet and eat and will determine the type of meetings to be held.

Merrill Crockett was appointed chairman pro-tem to preside at the summer unofficial meetings.

The first regular meeting in the fall will be held Thursday noon, October 5.

The patio of the DuBose home was decorated with flags and various articles to represent a circus.

Helping to celebrate the tenth birthday of Donald were his two little cousins from Encino and eighteen other friends.

NESMITH'S FIRM ADDS ANOTHER WORTHY SERVICE

Contractor Ralph A. Nesmith has announced that he has added another enterprise to the list of services that his firm already performs, namely, summer rodent and insect extermination and control in the interior of homes and buildings.

His summer home service he said will include closing houses, keeping water inside the houses, two inspections per week, and control of moths, buffalo bugs, silver fish, roaches, crickets and rodents. He uses the cyanide gas method of insect and rodent control.

Mr. Nesmith states that when he closes a home for the summer, he sees to it that it is well sealed; then he fills the interior of the home with cyanide gas. More gas is added every three or four weeks throughout the summer months. He enters the house twice a week with a gas mask on to inspect water in toilets, etc. In the fall he will thoroughly air the home before the owner arrives for the season, he said.

Mr. Nesmith states that the cyanide gas method absolutely gives 100% protection against all kinds of rodents and insects.

Mr. Nesmith has had printed some red danger signs warning prowlers or other persons against entering these residences filled with cyanide gas. He stressed the danger of death to any person entering such a home before the gas has been removed. The gas is in such concentration as to cause almost instant death to any human entering such a house, according to Mr. Nesmith.

SPRINGSTED-WHITAKER WEDDING TUESDAY AT COMMUNITY CHURCH

Miss Evalyn Springsted became the bride of Mr. Harold Whitaker in a very simple ceremony last Tuesday evening at the Community church at 7 p. m. The ceremony was performed by Dr. John Robertson Macartney with Mrs. Macartney at the organ.

The bride was dressed in dark blue and carried a sheaf of white peonies. The bridesmaids, Mrs. Rex Reynolds and Miss Vera Whitaker, wore corsages of white gardenias. Rex Reynolds was best man.

Only immediate families of the bride and groom were present at the ceremony. They were, Mr. and Mrs. Charles Springsted and son, Freddie, and Mr. and Mrs. Marvin Sale and daughter, Betty Morris.

About 60 people were present at the reception given at the future home of the newly-married couple. Two large wedding cakes and punch were served and the room was attractively decorated in white and silver.

Mr. and Mrs. Whitaker left for a short trip and will be back Saturday to occupy one of the guest homes on the McManus properties on Andreas Road.
